BUS PALLADIUM THE REBORN OF AN ICON

In 2026, the Bus Palladium returns as a five-star hotel with 35 rooms and suites, where music is woven into every moment of the day and night. The property features a bar, a restaurant, and, beneath it all, the venue's legendary stage alongside a 200-seat club.

More than a destination, Bus Palladium is conceived as a living, breathing ecosystem - where hospitality, nightlife, and artistic creation seamlessly converge.

A photograph of a nightclub stage. A large, shiny disco ball hangs from the ceiling, reflecting light. Below it, a stage is covered with a red and gold patterned carpet. A large, shimmering silver curtain hangs across the stage. The walls are dark with some square panels. There are several stage lights, including red and white spotlights, mounted on the ceiling and sides. The overall atmosphere is dark and glamorous.

A photograph of a club interior. In the foreground, there is a long, dark wooden table with several ornate, dark wood chairs with black leather seats. The floor is covered with a large, patterned rug in shades of red, blue, and gold. In the background, there is a stage with a dark backdrop. On the backdrop, the text "BUS PALLADIUM" is written in large, white, serif capital letters, and "HÔTEL • CLUB" is written in smaller, white, sans-serif capital letters below it. The stage is lit with several spotlights. There are also some red armchairs and small tables on the stage. The overall atmosphere is sophisticated and elegant.
